

National Indian Pharmacists Association

“A platform to work,
learn & serve together”

nipausa.com

October, 2017

Welcome!

We are excited to bring to you the launch of NIPA’s member bulletin. Each publication will provide resources aiming to assist pharmacists within all facets of the industry, inform members of new and upcoming events, and to discuss topics of interest that keep our community unified and committed to our shared mission:

Mission Statement

“To dedicate the construction of networking opportunities, the development of relationships and the promotion of our cultural heritages for pharmacists of Indian origin in United States of America by ways of interaction through common forum. We attempt to build a single platform from which we might petition lawmakers in an ethical and responsible manner to serve our interests and those of patients we serve. We seek to promote the highest quality of care and advance the future of our business and our industry by improving our professional skills and furthering our members’ economic interests.”

Membership

With efforts from our current members, NIPA membership has extended nationwide to 18 states. NIPA is grateful for the valuable support from our members and looks forward to the expansion of our network to all 50 states

About NIPA

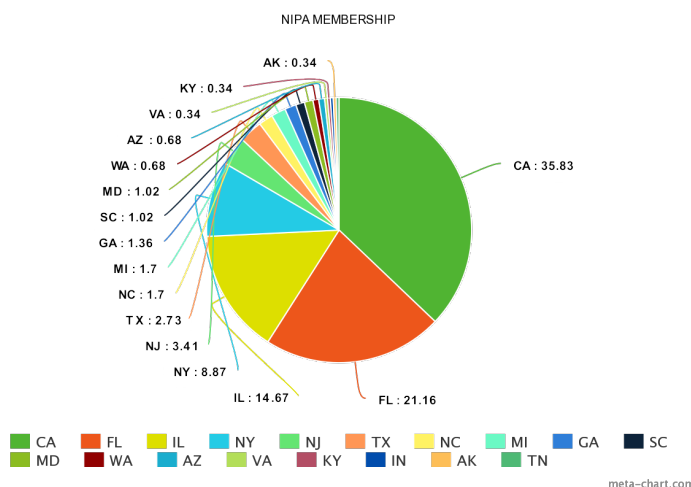

NIPA was founded with the dream of becoming an organization which advocates the contributions of Indian pharmacists in America. The combined drive towards success and pride of our profession within our members generates energy towards innovation, thus playing a crucial role in our communities by serving our clients the care they deserve. NIPA has maintained this vision and works to develop a sustainable, unified organization that can efficiently respond to and impact the positive pharmaceutical care for our patients.

Why Join?

As a member, you will join a network of pharmacists across the country as an advocate for our profession to build and strengthen our community. NIPA gives Indian pharmacists an opportunity to use their voice by showcasing innovative contributions to our industry provided by determined individuals like you.

How can members help?

Encourage pharmacist friends and colleagues to sign up and become a member (membership is free) at www.nipausa.com
